To ensure a quality event we may combine a few divisions. We will also split some divisions into two divisions due to the number of team registrations. When split, both groups within a division will play in the same wave as listed above.

All divisions will play at UWMSC or Schoolcraft College on Saturday. We will be expanding to one additional site on Sunday, the Elite SportsPlex (address below). Expanding to these sites will allow us to provide a higher quality experience and allow teams to finish Sunday's play earlier in the day.

The purpose of these changes is to ensure quality play and quality format for all teams involved. Thank you for your patience and cooperation. We look forward to a great event!
