Tournament Information Guide

Play Schedule: The play schedule will be posted on www.advancedeventsystems.com. Scores will be updated after every match on Advanced Event Systems. Please make sure you look at your officiating and playing assignments as each day progresses.

Wave times will be Saturday 7:30/8:00 am – 2:00 pm and 2:30/3:00 pm – 9:00 pm

Pools will typically consist of three or four teams:

If your pool consists of 3 teams, it will be handled in one of two ways: a) you will play two matches in your three-team pool and once the three-team pool completes its matches, the teams will be re-seeded and begin play in a cross-over match. In this scenario, only your first two matches will be listed on AES, and your third match will be determined once the three team pools are complete and teams are re-seeded. b) you will play two matches with three sets to 25 each, with both matches being listed on AES

If your pool consists of 4 teams, your matches for the day will all be listed on AES.

Each team will play a minimum of three matches on Saturday. Each team is guaranteed to have 5 matches during the tournament. Once each wave starts, we will play ahead of schedule as play allows.

Once your ticket is scanned, you will be provided with a wristband. All spectators must wear a wristband to gain access to the area where the courts are located. We will have security monitoring the door, checking for wristbands. Wristbands must always be worn while in the facilities.

Team Check-in:

TEAMS MUST CHECK IN ONLINE IN AES BETWEEN MONDAY, APRIL 13th, 2026, AND THURSDAY, APRIL 16th, 2026.

Rosters will be verified online when you check in online. The receipt you receive after check-in will be your coach's credential.

Tournament Play:

Matches will begin no later than 10 minutes from the conclusion of the preceding match. Matches will begin ahead of schedule as play allows. Wave start times will not be moved up. Subsequent rounds and bracket play matches will be moved up whenever time allows. At the start time, if teams are not ready to play, the opposing team will be awarded one point per minute. After ten minutes, the first game will then be forfeited. The second game and match will also be forfeited after an additional 10 minutes.

There are no caps for any sets. The third set will be up to 15; no cap.

Coaches are allowed to designate 2 liberos. The libero is allowed to serve for one position.

U12's will serve from the normal service line.

Work Team Assignments:

First official (R1) will be provided for all matches. Each team is responsible for providing: 1 down official (R2), 2 lines people, 1 official scorekeeper, 1 libero tracker, and 1 person for flip score. You are responsible for your own whistles.

No phones or food are allowed for the working teams at the tables. All coaches/teams need to double check their reffing assignments throughout the weekend, especially Sunday. Please check in with your Site Director to insure your reffing duties are fulfilled before leaving on Sunday.

If you are late for your officiating assignment, the same penalties apply as to match and forfeit times. All penalties will be carried over to the following day if necessary. Please check to ensure you know the schedule. If you are uncertain, please ask the tournament director at your site. On time means the start of warm-ups, not the match start time. It is required that a coach or other adult team representative remain in the scorer's table or bench area during team officiating assignments.

During bracket play on Sunday, all losing teams must stay and provide the work team for the following match unless specified differently. The game scheduled on your court may or may not be part of your division. If your match is switched to another court, you are still required to provide the work team.

WARM-UP PROCEDURES For all matches during the event, warm-up time will be 2-4-4. 2 minutes for shared ball handling, 4 minutes for the serving team to have the entire court, 4 minutes for the receiving team to have the entire court. Matches will be played ahead of schedule if possible. We are asking teams to help shag the opponent during warm-ups to keep balls off other courts.

Warm-up balls are not provided for this tournament at any of the locations.

SCHEDULE INFORMATION & RESULTS

Complete posting of results and next round of play will be available on the Advanced Events Systems website (<http://www.advancedeventsystems.com>). This is the official schedule. There will not be any posting of pool results around the tournament desk. Check the internet for all the results. Before leaving your site, be sure to check your schedule carefully for the next day. Site Directors and officials will not be held accountable for miscommunication or schedule of interpretations. The official tournament posting on the internet is the only source that will be considered should a dispute arise.

TIE BREAKING PROCEDURES:

During pool play, all divisions will be determined by the tiebreaking formulas in AES, which are outlined below.

Two-way ties - Head-to-head pool results will always determine the winner.

THREE-OR-MORE TEAMS TIE IN MATCHES

Three-way ties - If a three-way tie occurs in a pool the results will be determined as follows: - Set winning percentage (if still tied) - Point percentage within pool play - Coin Flip

PROTEST PROCEDURES: If a protest needs to be filed, it must be done at the time of the incident, no later. The first referee is obligated to acknowledge and record all protests. For U15 -U18 teams, only the floor captain may file a protest. For U12-U14 teams, the coach or the floor captain may protest. The protest must be written on the score sheet by the official scorekeeper or the first official and must be signed by the person presenting the protest and the first official. All protests will be ruled upon before the next service. Judgment calls may not be protested.
